

## Default Question Block

### Q0. **Nomination form for the Thomas L. Eggert Leadership Forward Award.**

This award recognizes individuals who have supported and contributed to growing and extending the network of resources available to the Wisconsin business community. Award recipients have in a significant way contributed to the growth of the sustainability community and in doing so have grown, expanded, and shared Tom's legacy. The award is determined by the Advisory Board of the Wisconsin Sustainable Business Council and is reserved for special recognition of unique individuals who made outsize contributions with lasting impact on many in the community.

Tom has mentored, coached, and inspired many over the years. He successfully brought together the academic and business communities to build the infrastructure required to advance sustainable principles. Under Tom's guidance students created the Green Masters' Program, Wisconsin's first third-party certification for businesses implementing sustainable practices. This award celebrates Thomas Eggert's tremendous contributions to our discipline, our community, and the state.

**Nominations for this award are open throughout the year yet determined by WSBC Advisors during the annual Sustainable Business**

**Awards cycle. The award will only be given out only when the board finds someone worthy and someone who meets all criteria.**

Please be detailed in your answers to the questions on this form and provide any supporting documents you think would be helpful. You do not need to answer every question, however, the more information submitted will help the board make an adequate determination.

Q1. Who are you nominating?

Nominee First name, Last Name

Nominee Email address (we will not contact this person unless they are chosen as a finalist)

Your Name

Your Email

Q2. Please tell us about the contribution this person has made to the sustainable business community in Wisconsin over the last decade (or more).
